1. Col. Took Seniwong, official spokesman for the Ministry of Defense, [REDACTED] the Thai Government is gravely concerned over Communist advances in China. He feels that the Communists will reach Thailand within two years. Took also stated that it would be impossible to resist successfully the Communist attack. If a showdown comes, the Thai Government would have to turn to Russia for aid, instead of the United States and England.
2. Princess Poon is disturbed because England and the United States are allowing Russia to swallow the Far East, while they concentrate all their energies on Berlin. Poon believes that the Russians have executed a clever maneuver in this respect. Princess Poon is seriously planning to leave Thailand and go to America.
